i stand against what you are doing with the bill? Seriously someone can't even work on their own rifle? Grow up honestly you see crime and blame the law-abiding citizens in the shooting industry every FUCKING time!!!! How can't i work on my own rifle when i can't afford a gunsmith to do it when i know exactly on what i'm doing and no i'm not doing or adding anything illegal you are ruining this country fuck labour, fuck liberals and most importantly piss off greens! Fun police more like it and as for the shooters party i wanna see them take control thanks now fuck off kindly from every shooter of Australia that's sick of the government's controlling nanny state bullshit!!!
