PEOPLE IN CUSTODY AND OVERSIGHT AND REVIEW OF
DEATHS IN CUSTODY**

Name: Ms Frankie Lee

Date Received: 4 August 2020

All the deaths in custody need to be held accountable.

The police need to be held accountable for the murders they have done, to my families and those of kinship, all the police involved in all the deaths in custody including those of other states and Territories. They need to be named and put end to all police brutality. New training programs implemented that teaches you mob to listen to country and learn the law of the land from our people. Also no more youth in our prison.. you mob need to put down your guns and sit on country, one in three of police officers has a mental issue, no right to carry a gun and misuse ur power over us. Time for treaty. No justice no peace
