**INQUIRY INTO HIGH LEVEL OF FIRST NATIONS
PEOPLE IN CUSTODY AND OVERSIGHT AND REVIEW OF
DEATHS IN CUSTODY**

Name: Mr Poamo Tuialii
Date Received: 6 August 2020

I as a brother Kiwi across the pond and who spent a great deal of time in Australia and have witnessed the treatment of my brother and sisters of the Dreamtime. Feel and its way past time that the incarceration rates leading to the deaths of Aboriginal people need to stop with the officious oversight reminiscent of why allegedly the Kelly gang killed that policemen for not having a licence to chop wood.

Also those responsible for the deaths in custody need to be brought to account and better systems put in place to better the treatment of First Nations people in the nightmare that is the legal system. Independent oversight is needed.

Thanking you Kia Ora from Aotearoa Land Of The Long White Clouds.
