**INQUIRY INTO PROVISIONS OF THE FIREARMS AND
WEAPONS LEGISLATION AMENDMENT (CRIMINAL
USE) BILL 2020**

Name: Mr Hans Leroy
Date Received: 10 August 2020

Milling machines and lathes make my ability to repair machinery vital, it is a way of income for me and this should not be taken away from me because someone could potentially make a gun with it. And even if it is taken away someone who wants to do harm will always find a other way to do so.

Cheers Hans Leroy
