To whom it may concern,

RE: Growing Local Economics Program.

In 2018, Woolgoolga Surf Life Saving Club was awarded two million dollars under the Growing Local Economies program to complete the building of our new Surf Club.

Our old surf club was falling apart and we were desperate for a new clubhouse. We have approximately 400 members and this big community facility could not have been made possible without this funding.

We are very grateful for this funding and hope that this program will continue in the future to allow Community Clubs, such as ours, to survive and thrive.

If you require further information, please do not hesitate to contact me using the below details.

Kind regards,

Les Pepper
President
Woolgoolga Surf Life Saving Club
