To who it may concern

In 2020 the Coffs Harbour Men's Shed was awarded \$50,000 under the Stronger Country Communities program to upgrade and provide disabled access to the mezzanine area of the Men's Shed.

We have 189 members and this community facility could not have been improved without this funding. We anticipate a growth in membership in line with the additional facilities.

We are very grateful for this funding and hope that this program will continue in the future to allow other community clubs and groups, such as ours, to survive and thrive.
