**INQUIRY INTO GOVERNMENT'S MANAGEMENT OF
POWERHOUSE MUSEUM AND OTHER MUSEUMS AND
CULTURAL PROJECTS IN NEW SOUTH WALES**

Organisation: North Parramatta Residents' Action Group

Date Received: 19 August 2020

To whom it may concern,

Please find attached three files as a supplementary paper to NPRAG original submission which demonstrates the significance of Willow Grove to Parramatta City Council. In May 2016 a finalised DA to relocate council chambers temporarily for 5 years into WillowGrove while new council building was under construction in Parramatta Square - just weeks later the councillors were replaced by State Government Administrator Amanda Chadwick who spearheaded the sale of ratepayers assets to the State Government along Phillip Street.

This demonstrates that Parramatta Council whilst still under democratically elected councillors held WillowGroves future in high regard and a pivotal part of the River Strategy and Civic Link.

Please make these documents public.

Kind Regards
