**INQUIRY INTO HEALTH OUTCOMES AND ACCESS TO
HEALTH AND HOSPITAL SERVICES IN RURAL,
REGIONAL AND REMOTE NEW SOUTH WALES**

Name: Mr Ross Haldeman
Date Received: 20 October 2020

We the people of Binnaway NSW 2395, really need a Local Doctor to attend the Town 3 or 4 times a week.

We have many elderly as well as many more younger residents and several infants.

There are Rooms already here in Binnaway in the small Hospital opposite the School.

We do have a Chemist Shop run by our Pharmacist Tony who does a wonderful, job and is very helpful to all of us here.

There are of course several infants as well.

We see NO reason why this request can be denied.
