**INQUIRY INTO GREYHOUND WELFARE AND
INTEGRITY COMMISSION**

Name: Miss Amanda Barnes

Date Received: 28 November 2020

Funding must be issued by the government and with no influence or involvement at any stage, in any way by Greyhound Racing NSW.

The Greyhound Welfare and Integrity Commission is incredibly important in being able to enforce welfare standards and punish offenders ignoring the welfare of the dogs.

The Greyhound Welfare and Integrity Commission needs to be able to enforce the penalties for bad behaviour; to implement whole-life tracking of greyhounds, and amending the greyhound rehoming policy to prohibit the euthanasia of healthy greyhounds and finding them happy, secure homes.

Thank you.
