**INQUIRY INTO HEALTH OUTCOMES AND ACCESS TO
HEALTH AND HOSPITAL SERVICES IN RURAL,
REGIONAL AND REMOTE NEW SOUTH WALES**

Name: Mrs Marlene Wynd

Date Received: 3 December 2020

Cobar need a community transport car for people needing medical attention when attending appointments in Bourke and Dubbo.

Should be a payed worker by the government... Vehicle should be based in Cobar.

Being 75 years old, I drive my husband who is 85 to these appointments.

My concern is "When I cannot take him, who will?".

Not all have family living close by.
