**INQUIRY INTO HEALTH OUTCOMES AND ACCESS TO
HEALTH AND HOSPITAL SERVICES IN RURAL,
REGIONAL AND REMOTE NEW SOUTH WALES**

Name: Mrs Annette McAndrew
Date Received: 4 December 2020

I live in Maitland and have had a need to access Hunter Health services for eye care for Macula Degeneration as a emergency only to discover that the Hunter does not have a Eye hospital attached to John Hunter Hospital I find this is unacceptable as Sydney has one available. It is imperative that we have this service to access for our well-being
