**INQUIRY INTO HEALTH OUTCOMES AND ACCESS TO
HEALTH AND HOSPITAL SERVICES IN RURAL,
REGIONAL AND REMOTE NEW SOUTH WALES**

Name: Mrs Karen Samuels
Date Received: 11 December 2020

I suffer severely from asthma and went to the hospital in Gulgong.

Was treated there with breathing difficulties by the nurses. No doctor came in my time at the hospital.

It was a scary experience as I was left alone for quite some time during this time.
