**INQUIRY INTO HEALTH OUTCOMES AND ACCESS TO
HEALTH AND HOSPITAL SERVICES IN RURAL,
REGIONAL AND REMOTE NEW SOUTH WALES**

Name: Ms Jennifer Clarke

Date Received: 12 January 2021

Wellington NSW 2820, needs more than 1 doctor at the hospital, I am a IDDM on insulin pump, I moved to Wellington in 2006 from Sydney, I have had to attend the hospital due to high BGL readings and ketones, every time has been late at night or early in the morning, having a Dr there helped me and the nurses understand what was going on and the best plan to manage it.

Wellington, is a lovely town but we need to have the resources, we have 2 jails, with a 3rd on the way, we don't have 24hr Police, we have the wind farm and numerous solar farms, we have an ageing population. Not everyone will be able to travel to Dubbo 50k away.
