No 419**

**INQUIRY INTO HEALTH OUTCOMES AND ACCESS TO  
HEALTH AND HOSPITAL SERVICES IN RURAL,  
REGIONAL AND REMOTE NEW SOUTH WALES**

**Name:** Ms Shan Elliott  
**Date Received:** 12 January 2021

---

Please help us to help you and your loved ones. At Tumberumba multi purpose service we do NOT have enough nurses for a safe roster. We all over work to treat our patients the best we can. Without a permanent Doctor. Usually we have a doctor on the phone. We have a high resignation rate and a 0 replacement rate. Mental illness is now prevalent amount our staff. Both they are their patients are at genuine risk. Please help us close the gap.
