BONALBO MULTIPURPOSE SERVICE (2469) is underutilised and under staffed.

It needs 2 doctors full time, which we were promised but never eventuated.

This is a disgrace considering the money spent on the facility and we can only see a doctor 50% of the time the place is open.

Shame on you, Northern Rivers Health.

It (MPS) has an xray machine but no-one to operate it in spite of offers by Coroona and the Bonalbo Progress Assoc. to pay for staff to be trained.

It needs other services, physio, podiatry etc that can be accessed by everyone NOT just Diabetics.
