I wish to lodge a submission for my local health services.

We have a local Multy Purpose Hospital in our town servicing the township & surrounding area of about 4,000 people.

Our Multy Purpose Hospital, consists of 1 DOCTOR- 4 OR 5 days per week.

Appointments are often booked 1-3 weeks in advance.

Patholigst - 1 day per week

RADIOGRAPHY DEPT.-that is not in use,& to my knowledge, has never been used.

I feel, we are being ignored by N.S.W. HEALTH

We are an ageing population.

If we need specialist services, we have to travel over 100kms. which isn't always possible.
