We need a full time public doctor in Dunedoo and a doctor at the hospital for emergencies as it's very important as there are so many older people in our town and a lot of family's moving from the city to the country with young families (us being one of them with a new baby and children with health issues) and we are need a doctor but there isn't any we have to drive an hour and a half to Dubbo or Mudgee just to see a doctor when it would be a lot more beneficial if we had a doctor in town plus if we did have a doctor in town I'm pretty sure it would make our little town of Dunedoo grow and thrive. WE NEED A DOCTOR IN OUR TOWN PLEASE HELP OUR TOWN GET A DOCTOR.
