**INQUIRY INTO HEALTH OUTCOMES AND ACCESS TO
HEALTH AND HOSPITAL SERVICES IN RURAL,
REGIONAL AND REMOTE NEW SOUTH WALES**

Name: Name suppressed
Date Received: 14 January 2021

Partially
Confidential

My father overdosed himself on insulin. Gloucester Soldiers memorial hospital didn't have food for him to eat to combat the overdose because their food is prepared in Tamworth.

The brilliant staff put together a collection to go buy him food from food works so he didn't die.

Bring back full kitchen staffing and preparation to regional hospitals and help unemployment while you're at it.

Cheers.
