**INQUIRY INTO HEALTH OUTCOMES AND ACCESS TO
HEALTH AND HOSPITAL SERVICES IN RURAL,
REGIONAL AND REMOTE NEW SOUTH WALES**

Name: Ms Diann Colman

William Street Family Practice in Raymond Terrace, (2 hours north of Sydney) on the Pacific Highway has lost TWO doctors in the last two weeks.

Newcastle is the BIGGEST NON CAPITAL city in Australia.

I dread to think or how bad it must be in rural communities when we keep losing doctors in a City and no prospect of replacement at this time.
