**INQUIRY INTO HEALTH AND WELLBEING OF  
KANGAROOS AND OTHER MACROPODS IN NEW SOUTH  
WALES**

**Name:** Mrs Laura Lumachini

---

I was shocked at the cruelty suffered by kangaroos targeted by the unsustainable commercial industry, which has been ignored for too long but which thanks to AJP NSW Team has been shown all over the world! I am writing from Italy to ask to protect the kangaroos, you are a great nation and you must be the example for a better and fairer world. Thank you for your consideration.
