STOP KILLING KANGAROOS!!!!

OTHER MACROPODS

Australia has the highest rate of mammal extinction in the world!!!

Stop destroying their environment!!

Let them live!!

Habitat loss equals death of a species.

Spend money/ allocate resources toward saving ALL the species that are left in NSW/ AUSTRALIA!!!!

Save all the species that the Govt. hasn't allowed to become extinct!!!

ALL MACROPODS

All macropods are beautiful, innocent creatures.

Protect them!!!! Now!!!!
