To whom it may concern

Dear sir/madam,

Please save your beautiful kangaroos, you are very lucky to have them, I wish we had them here in NZ and they are part of the Australian wildlife and really, they are the true Australians, so please be kind to them, as they have had a hard time in your recent bush fires & now the flooding which I am so sorry to hear by the way.

Anyway the bottom line is God has blessed you with these wonderful creations, so I urge you to be kind and protect these marvellous creatures. on behalf of a Australian loving kiwi.

Kind regards,  
Mark M Baker
