**INQUIRY INTO HEALTH AND WELLBEING OF
KANGAROOS AND OTHER MACROPODS IN NEW SOUTH
WALES**

Name: Mrs Doreen Mann

Date Received: 26 March 2021

I am writing to you today to make you know how much the Kangaroo is so popular with us in the US and are amazing animals.

They grow their babies in their pouch and take beautiful care of their young .

We love to watch them in video's or in specials that tell us about the plight of this beautiful animals. The Kangaroo is AUSTRALIA like the KOALA. They are the icons of your country and you start putting human interest over them then you are going to destroy your country.

I have read where the Kangaroo is being killed for food and to make basketballs with . GOD DIDNT CREAT THEM TO BE USED TO MAKE BASKETBALLS WITH.

Your government is showing us in the US how inhumane you have become and put your interest before your wildlife. Treat your animals with love and respect.

Why do you think you get tourist in Australia???? It isn't your water . It is your wildlife. PUT THEIR INTEREST ABOVE YOURS. They deserve a better life then what you are giving them now.

You need to vote in people in your government who put other interest like LIFE before theirs. That is the way it should be. Don't Destroy Australia because of Man !!
