**INQUIRY INTO HEALTH AND WELLBEING OF
KANGAROOS AND OTHER MACROPODS IN NEW SOUTH
WALES**

Name: Name suppressed
Date Received: 27 March 2021

Partially

To Whom It May Concern:

Please, protect kangaroo corridors through the landscape along known migratory paths, make an investment in regional tourism to view kangaroos in their native habitat, and establish a great kangaroo national park.

We visitors expect to see kangaroos, your national iconic animal (along with koalas) when visiting Australia. We are distressed about the huge losses due to megafires, the "entertainment" of killing them (killing an animal is not entertainment) and want to encourage restoration of their habitat, along with protections.

Thank you.
