**INQUIRY INTO HEALTH AND WELLBEING OF
KANGAROOS AND OTHER MACROPODS IN NEW SOUTH
WALES**

As a private citizen I am concerned about the kangaroo populations across New South Wales and all of Australia after the biggest kangaroo processor, Macro Meats stopped production on Friday the 26th March and Monday 29th March 2021 due to a lack of supply of kangaroos from shooters across three states, South Australia, Queensland and New South Wales.
