**INQUIRY INTO HEALTH AND WELLBEING OF
KANGAROOS AND OTHER MACROPODS IN NEW SOUTH
WALES**

Name: Amanda Vanderaa

Date Received: 10 April 2021

What is the process of culling the native animal the kangaroo and wallaby?

I am a concerned citizen of this country as to my knowledge the joey's are beaten to death if not killed by buck shot first?

Aside from being barbaric ,surely there are better means than this obviousl animal cruelty method.
