**INQUIRY INTO HEALTH AND WELLBEING OF
KANGAROOS AND OTHER MACROPODS IN NEW SOUTH
WALES**

Name: Name suppressed

We are losing our native wildlife, this State Government is just giving lip service to NSW people, billions of our precious wildlife, including kangaroos died in the recent bushfires, they haven't recovered, including kangaroos.

You may think this is fine but many people don't and can't agree.

Why do you allow an industry to kill our national icon in the thousands for profit ?

This is the time to stop now !!!!
