**INQUIRY INTO HEALTH AND WELLBEING OF
KANGAROOS AND OTHER MACROPODS IN NEW SOUTH
WALES**

Name: Name suppressed
Date Received: 23 April 2021

Partially
Confidential

Other countries must look at us as uneducated and cruel and we are , the kangaroo is our national emblem , everyone seems so set on protecting the farmers they were here last and ruining our natural eco systems and destroying our native flora and fauna
When are you people going to listen, stop killing everything and start dealing with the problems we as humans have created.
