

**Submission  
No 157**

**INQUIRY INTO HEALTH AND WELLBEING OF  
KANGAROOS AND OTHER MACROPODS IN NEW SOUTH  
WALES**

**Name:** Ms Arielle Schechter

**Date Received:** 15 April 2021

---

My family and I travel to NSW from the US as much as we can and would like to lodge our opposition to any plans to curb, cull, restrain or harm the kangaroos of NSW. These are iconic animals of Australia, beloved around the world and deserve to be protected.

I am an architect and admire your country in hundreds of ways. Please protect your incredible wildlife heritage.
