**INQUIRY INTO HEALTH AND WELLBEING OF
KANGAROOS AND OTHER MACROPODS IN NEW SOUTH
WALES**

Name: Ms Frances Blane

Date Received: 21 April 2021

Please stop doing this to these poor defenceless animals they need to be rehoused if the population is increasing or sterilizing programs why is slaughter the only solution ?? Is it the money gained from the slaughter they are not there to profit the murderers they are the Australian Aussie made symbol logo they are why tourists come to see Australia Why do you have to kill them ?? shame on those who will have blood on their hands for slaughtering Australian icons please ban this Cull - cruelty to these gentle giants that belong to Australians They need Protection I will not vote for people who don't look after animals

Regards

Frances Blane
