**INQUIRY INTO HEALTH AND WELLBEING OF
KANGAROOS AND OTHER MACROPODS IN NEW SOUTH
WALES**

Name: Mrs Sandra Trinder
Date Received: 24 April 2021

Kangaroos are amazing animals and we fell in love with them on our trip to Australia in 2019. They deserve to be cared for and cherished as they are not found anywhere else in the world. Please look after them and keep the species safe.
