KANGAROOS AND OTHER MACROPODS IN NEW SOUTH
WALES**

Please completely end the legalised slaughter of one of Australia's most loved iconic wildlife species, the kangaroo.

As a person who used to live on farms and shoot these beautiful animals, I now recognise how barbaric it is and how unregulated.

There is no way that legalised shooting or killing of any wildlife can be regulated, and therefore it is subject to unimaginable terror, suffering and cruelty. The only way to ensure these animals are not subjected to immense terror, cruelty and suffering is to completely stop all legalised killing of kangaroos.
