

**INQUIRY INTO WASTE AVOIDANCE AND RESOURCE
RECOVERY AMENDMENT (PLASTICS REDUCTION)
BILL 2021**

Name: Mrs Sylvia Cooper
Date Received: 27 April 2021

Please take 4 minutes to watch the video at the link below to understand why I am in favour of The Waste Avoidance and Resource Recovery Amendment (Plastics Reduction) Bill 2021 that would phase out single-use plastics, polystyrene packaging, products containing plastic microbeads and other plastic products harmful to the environment and all animals in the sea and on land.
