**INQUIRY INTO WASTE AVOIDANCE AND RESOURCE  
RECOVERY AMENDMENT (PLASTICS REDUCTION)  
BILL 2021**

**Name:** Mrs Therese Glen-Holmes  
**Date Received:** 2 May 2021

---

I support the moves to ban single use plastics in NEW. The sooner thjs is implemented the better for everyone and the environment. They are plenty of great alternatives available.

This bill, is a great start, more work needs to be undertaken to remove other plastics and substitute with greener options.
