

**INQUIRY INTO WASTE AVOIDANCE AND RESOURCE
RECOVERY AMENDMENT (PLASTICS REDUCTION)
BILL 2021**

Name: Mrs Linda D'Arcy

Date Received: 2 May 2021

Please Ban all plastic Dome and flat plastic lids from being used when dinks like frappes and slurp pies as the impact upon the wildlife is terrible, birds and animals get their heads caught in the hole where the stew goes and the die of starvation, please replace these death traps that are being used as lids for throw away dunk cups with wax paper lids or lids that have perforation sections in them so they can be pulled apart, this way at the very least the animals can free it's self
