Submission to Parliamentary Bill Committee  
Legislation to BAN Single-Use Plastics - Plastic Takeaway DOME Drink Lids

Dear Sir/Madam,

I support the legislation to ban single-use plastics and plastic takeaway dome drink lids.  
Dome lids can be replaced by deeper cups and flat lids.

Banning Plastic Dome Shaped Lids & Plastic Ring Seals will contribute to save wildlife.

I invite you to please read this petition, all Updates and read the suggestions for alternatives to Lids and Ring Seals <http://chng.it/w82TGW9TDp>
