**INQUIRY INTO LONG TERM SUSTAINABILITY AND
FUTURE OF THE TIMBER AND FOREST PRODUCTS
INDUSTRY**

Name: Mr Michael King

Date Received: 21 May 2021

My name is Michael King I am a retired member of the CFMEU.

ALL unionists are upset at the methods currently employed in logging.

I strongly suggest the following practices in future

All forests be replanted (and at least some coupes eucalyptus)

REPLANTING in some cases BEFORE LOGGING

Union involvement from start to finish. (Special exception prison camps prisoners paid decent wages)

A proper campaign to demonstrate we can plant more trees than are cut down.
