**INQUIRY INTO LONG TERM SUSTAINABILITY AND
FUTURE OF THE TIMBER AND FOREST PRODUCTS
INDUSTRY**

Name: Mrs Anne Edwards

Date Received: 25 May 2021

Forests left intact after the devastating bushfires need to be protected from logging so that our native flora and fauna has a chance to recover.

As humans we have the power to either be the protectors or destroyers of our planet and all species that share the planet with us.

Please let us be the protectors.
