**INQUIRY INTO IMPACT OF THE WESTERN HARBOUR
TUNNEL AND BEACHES LINK**

Name: Name suppressed

Date Received: 28 May 2021

Partially
Confidential

I would like to support the proposal for the western harbour tunnel. Most of the objectors have the benefit of easy access to ferries and buses and do not consider the transport needs of the wider Greater Sydney community. I have confidence in the process to ensure environmental impact is mitigated or avoided.
