**INQUIRY INTO IMPACT OF THE WESTERN HARBOUR
TUNNEL AND BEACHES LINK**

Name: Mr Brian Mckean

Date Received: 10 June 2021

All local golf courses are at maximum booking and being fully utilised. Golf is being played and enjoyed by both men and women of all ages from 7-8 years of age to 80+ yrs. Golf has been one of a few activities allowed sporting wise in Sydney / NSW during COVID 19, which may well be with us for many years to come.

Destroying Balgowlah Golf Club now in its 95 year, would be a disgrace. The open green space is enjoyed by a vast number of local residents and golfers alike.

I'm not against the tunnel, there are better solutions for locating such a tunnel, without destroying green space, that can not be replaced.

The cost differential from tunnelling under Wakehurst parkway through to say Dee Why or Narabeen would be insignificant, provide better utilisation and preserve precious green space..

There is no more green space. Preserve what green space we have

Respectfully Brian McKean
