**INQUIRY INTO PETROLEUM (ONSHORE) AMENDMENT
(CANCELLATION OF ZOMBIE PETROLEUM
EXPLORATION LICENCES) BILL 2021**

Name: Mr Robert Skappel

Date Received: 12 June 2021

Dear Mr Barilaro,

Please cancel the Pels CSG licences !

This would be an act of utter madness, just on the basis that CSG poisons the ground water that's needed for growing our food & keeping a healthy environment for all sentient beings in the region !
