**INQUIRY INTO PETROLEUM (ONSHORE) AMENDMENT
(CANCELLATION OF ZOMBIE PETROLEUM
EXPLORATION LICENCES) BILL 2021**

Name: Mr David Schwartz

Date Received: 13 June 2021

The latest report from the International Energy Agency states unequivocally:

There must be a “total transformation of the energy systems that underpin our economies”. Put simply, the world’s energy economy must be grounded in solar and wind — not coal, gas and oil.

All expired petroleum exploration licensed need to be extinguished.
They must never be reissued.

Our future depends on it.
