**INQUIRY INTO IMPACT OF THE WESTERN HARBOUR
TUNNEL AND BEACHES LINK**

Name: Mr Richard Ware

Date Received: 14 June 2021

To the committee,I have lived on the northern beaches for some 45 years ,married with adult children,retired business man.

Re the northern beaches tunnel.

I consider this idea to be dumb,,making no sense, This will lead to over population traffic blockage ,more building works for no benefit.

The other suggestion of a tunnel to open up western NSW via the mountain is one of the better forward planning ideas for many a year. The prospect of tourism,transport , and benefit to all of NSW is brilliant.

Committee do not stuff up one area while you have the opportunity to develop the rest of the state.and achieve a brilliant result for the WHOLE STATE. Thank you

Richard Ware
