

## **INQUIRY INTO CORONIAL JURISDICTION IN NEW SOUTH WALES**

**Name:** Mr Robert Wade

**Date Received:** 1 July 2021

The findings on Bryson Anderson

Coroner Teresa O'Sullivan produced inadequate and inconsistent findings, showing prejudice towards NSW Police Force and failing to exercise her powers properly. That constitutes corruption by the ICAC definition. ICAC rejected my complaint that she was corrupt.

The findings are at:

<https://coroners.nsw.gov.au/coroners-court/download.html/documents/findings/2018/Anderson%20Findings%20-%2019%20June%202018.pdf#>

My request to the coroner is attached, incorporating a critical commentary on the findings.

Yours sincerely

Robert Wade
