**INQUIRY INTO ENVIRONMENTAL PLANNING AND
ASSESSMENT AMENDMENT (INFRASTRUCTURE
CONTRIBUTIONS) BILL 2021**

Name: Mr Michael McGrath

Date Received: 1 July 2021

This is my submission in protest at the repeated and multiple ways. That the state government past and present have been attacking my families assets.

I purchased this property in 1988. There was nothing planned for this site in regards to infrastructure. Over the past 30 years we have had to fend off high tension power lines that were going to go over our new home. I refinanced in 1999 there was a delay because the deeds were held up. Not until years later did I find out the hold up was due to alterations to those deeds. Where was the consultation, is that not a legal obligation of the government.

They now had a road planned to go through our home. Not only has the government had the valuer general reduce the property value just before they made a part compulsory acquisition recently. Just after everything went through. We now find that because they wish to make my property a green zone, I stand to loose the lot for pittance. Now you want to tax what little I get. Quite frankly if the government does this to mum and dad land owners who have lived here for so many years it will be just another government crime.

Stop penny pinching from those who have worked hard for what they have. We could of lived any where else in many properties over 30 years and never paid tax regardless of the property value increase. We as citizens expect equal treatment as every body else in the state.

REMEMBER WE LIVE HERE BECAUSE HOW IT WAS !

WE DO NOT WANT YOUR STINKING AIRPORT!

WE DO NOT WANT YOUR STINKING AREOTROPOLIS!

WE DO NOT WANT YOUR DUCKING DEVELOPMENTS!

WE DO NOT WANT YOUR BULLSHIT!

We just want to be left alone,

We should not be further punished because you want for the greater good!

WE ALL CAN SEE YOU THE MAJOR PARTIES ARE GLOBALISTS AND IN MY EYES THAT IS COMMUNIST!

How are your Chinese mates?

BE VERY CLEAR I AND MY FAMILY ARE AGAINST ALL OF YOUR PLANNED LAWS THAT ARE GOING TO ATTACK FAMILIES!

Hang your heads in shame!

But I forget from what I have seen of politicians, most are shameless!
