How dare you try to tax a family home. If you do it for one you must do it for all property owners. I can't believe the NSW State Liberal party is even considering this bill. During this whole airport business I have totally lost faith in the Liberal Party and will no longer vote for you in any election. You have tried every dirty trick in the book to get land for next to nothing so you can rezone it down the track and keep all the profits. I know you don't care what we write you probably won't even read these submissions. Be warned we have long memories and we won't forget your treatment of us come the next election.
