ASSESSMENT AMENDMENT (INFRASTRUCTURE  
CONTRIBUTIONS) BILL 2021**

I object to the proposed tax on the sale of our house and land we encourage the airport and infrastructure but why should we pay for it when we will have to move out of the area and use every dollar we make plus more to buy what we have now further out meaning more time away from my family travelling to work we are mum dad owners not multi million dollar developers if you didn't have the money for infrastructure you shouldn't of started the airport
