

**INQUIRY INTO ENVIRONMENTAL PLANNING AND
ASSESSMENT AMENDMENT (INFRASTRUCTURE
CONTRIBUTIONS) BILL 2021**

Name: Mrs Marie Hodder
Date Received: 2 July 2021

I object to any political party putting through a bill to TAX every single land owner that has an uplift of infrastructure or rezoned land. Not only will this tax everyday Mum and Dad landowners on the sale of their family homes but will also put further stress on families with farms. Haven't farmers suffered enough in this country? Aren't there enough taxes that families are already struggling with?
