

INQUIRY INTO ROAD TOLLING REGIMES

Name: Name suppressed

Date Received: 4 July 2021

Partially
Confidential

I'm a father of 3 and works in St Leonards and lives in Elizabeth Hills. I spend \$40 plus on tolls per day . As young family we are at breaking point , tolls go up every six months , which is ridiculous. I leave home 4:50 every day. This matter needs serious consideration along with rising fuel .
