The amount of tolls which are now inflicted on myself and my community is ridiculous. I am surrounded by two tolls on the m5, M7 and m4. My husband works in Artarmon for him to travel to work the tolls are more than \$20 each way, how is that sustainable for my family. We are a family of 5 and these tolls impact our ability to live well. The tolls need to be removed but in particular the new m5 toll must go as it is an absolute rort, a new charge for no new service as we had this road all along and for us it has made no benefit. I appreciate that this disadvantage for people in the south west is finally being looked at. Thank you.
